2. From and after April 22, 2016, those parties who avail themselves of the services of the Special Master in negotiations with the Republic of

Argentina shall have responsibility for their share of the fees and expenses of the Special Master.

3. The Special Master shall have the right to invoice the clients of Morgan Lewis & Bockius and Duane Morris for his services from April 22, 2016 through June 22, 2016 (and for services thereafter as the Special Master may determine appropriate) by invoicing the law firms as the representatives of their clients. 4. This Order shall apply to the above-captioned cases, all of which remain open, as well as any other cases against the Republic of Argentina in which the parties avail themselves of the services of the Special Master.

5. In all other respects the Order of Appointment of Special Master, June 23, 2014, as amended and supplemented by Order of November 3, 2014, shall remain in full force and effect.
