## Lawyers Without Borders

“

**Paula Anderson**  
Litigation Partner

It is great to be part of a firm that is committed to promoting the rule of law around the world. Knowing that I was able to contribute, if even in the smallest way, to protecting the most vulnerable in our society, made it all worth the effort.”

Lawyers Without Borders (LWOB) is one of our long-standing pro bono clients. Its mission is to advance the global rule of law in Africa, Asia, the Caribbean, and Central and South America. Longstanding participant Paula Anderson recently returned from a week-long visit to Nairobi, Kenya, where she delivered training to local prosecutors and other stakeholders working on cases involving child sexual exploitation. With a team of trainers coordinated by LWOB, that included a Canadian High Court Justice, a state prosecutor, a special victims detective, and a former federal prosecutor, Paula led sessions focused on online and commercial child exploitation crimes, interviewing child victims and witnesses, trauma-informed best practices, and protection of victims during the trial process.
