## ***The Evolving Use of International Arbitration and Mediation for Disputes in the Technology Sector***

International arbitration and mediation are evolving as leading dispute resolution methods to meet the needs of the technology sector and its role in a global marketplace comprised of international business partners, overseas manufacturing centers, and emerging opportunities undefined by national boundaries.

Join us for a topical discussion about why international arbitration and mediation aligns with the current needs of the global marketplace and how leading technology companies are using these dispute resolute mechanisms to mitigate against and resolve complex challenges.

### **PANEL ONE - WHY INTERNATIONAL ARBITRATION AND MEDIATION ARE APPROPRIATE FOR DISPUTES IN THE TECHNOLOGY SECTOR**

Moderator: **Janet Martinez**, Stanford Law School

- **Gary Benton**, Silicon Valley Arbitration & Mediation Center
