AMENDED AND SUPPLEMENTAL ORDER

On September 29, 2014, pursuant to an order to show cause, the court held a hearing, at the conclusion of which it found that the Republic of Argentina was in civil contempt of court. The reasons for this finding were stated on the record.

The court now reaffirms this finding, and incorporates it by reference in this order.

Pursuant to Local Civil Rule 83.6(c), a finding of contempt should include a statement of conditions the performance of which will operate to purge the contempt. The court believes that it is clear what such conditions are. The Republic of Argentina will need to reverse entirely the steps which it has taken constituting the contempt, including, but not limited to, re-affirming the role of The Bank of New York Mellon as the indenture trustee and withdrawing any purported authorization of Nación Fideicomisos, S.A. to act as the indenture trustee, and complying completely with the February 23, 2012 injunction.

The current order amends and supplements the order of September 29, 2014.

SO ORDERED.
